

HUBBARD'S YELLOWSTONE SIX QUARTER CIRCLE RANCH

A WORKING CATTLE & GUEST RANCH

- In the Tradition of the New West -

We invite you to join us at Yellowstone Six Quarter Circle Ranch for an experience you will never forget. Our guests at Six Quarter Circle are a critical part of our operation. We are one of the few large cattle ranches in the West that gives our guests a true and **authentic ranch experience**. This may involve pushing 1,000 head of livestock through open country into alpine forests at 8,000 feet. And at the end of the day, we offer friendly **Montana hospitality, excellent accommodations and gourmet dining**.

For those of you who prefer to cruise the mountain lakes and streams in search of cutthroat trout, our **Orvis-endorsed lodge** sits on a private 85-acre lake and is a stone's throw from the **Yellowstone River, Yellowstone National Park** and world-renowned spring-fed creeks. Or you may just want to relax in the sun with a good book on our deck overlooking beautiful Paradise Valley and its ribbon of blue winding north to meet up with the Missouri. Guided tours of spectacular Yellowstone Park are also available. You won't find children at the Six Quarter Circle Ranch. It's a **place where adults can get away and experience the serenity of the mountains**. We find that couples appreciate our ranch because each can pursue his or her own interests during the day then swap stories over a delicious dinner and a bottle of fine wine from our extensive wine list in the evening. We also serve corporate groups and will tailor activities to meet whatever needs your group has.

Our family has owned and operated this ranch for 25 years and we truly enjoy sharing this unique and awesome environment with our guests — who always leave as our friends. Please **join us in our corner of paradise** for an experience that blends the traditions of the Old West with the comfort of the New.

SIX QUARTER CIRCLE RANCH HORSES

At Six Quarter Circle you can ride all day, everyday, on 25 square miles of pristine wilderness on the edge of Yellowstone National Park. Guests actively participate in ranch work, whether it's pushing cattle to higher, greener pastures, throwing salt or fixing fence. Experience is not necessary – our cowboys will provide horsemanship instruction and we have strong mountain horses for every level of ability. And you are welcome to bring your own horse; board and feed are included.

If you prefer a gentler ride, our wranglers will guide you on a two-hour ride to Ramshorn Lake at the foot of 10,000 foot Ramshorn Peak. The basaltic cliffs that tower over the

lake are home to one of the largest herds of bighorn sheep in the state. If you are an angler, you can spend a few hours fishing for cutthroat trout before you head back to the lodge for some well deserved R & R.

"You can see what man made from the seat of an automobile, but the best way to see what God made is from the back of a horse." – Charles M. Russell

SIX QUARTER CIRCLE RANCH CATTLE

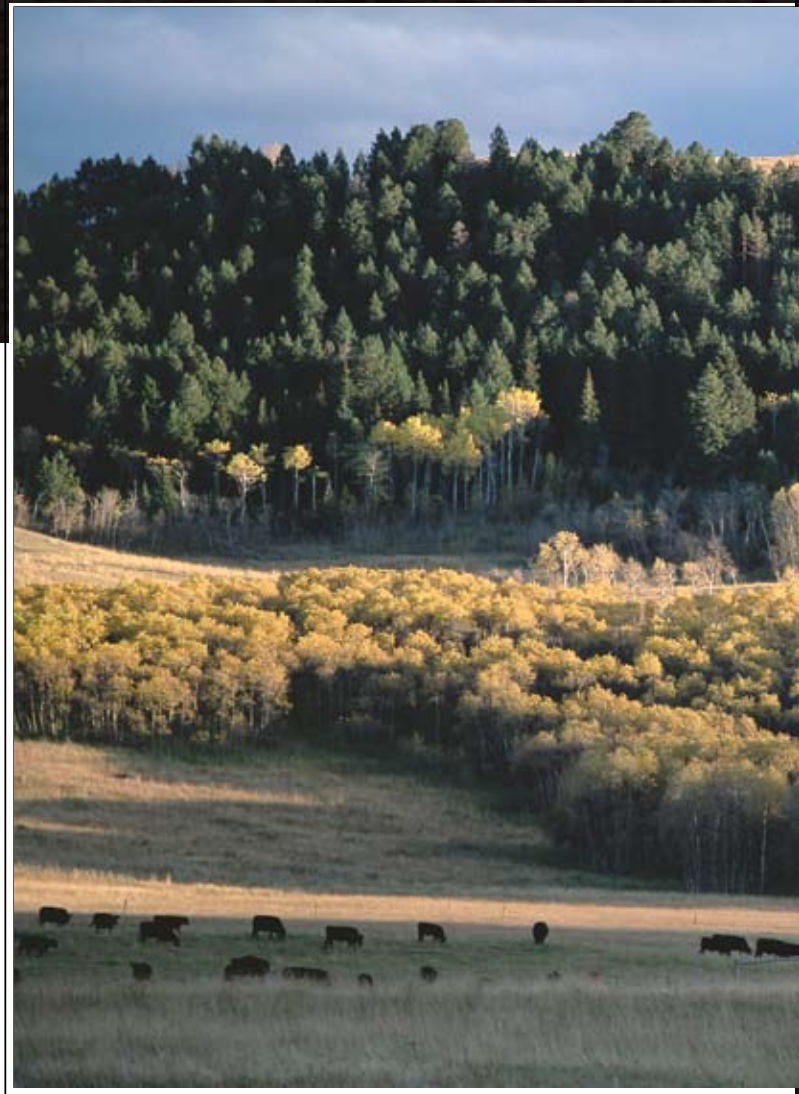

Yellowstone Six Quarter Circle Ranch is a working cattle operation with a herd of 1,000 red and black Angus.

Summers are spent moving the herd between pastures to ensure there's good grazing and to let the land rest. It's a big job and ranch guests are a critical part of our operation. In addition to pushing cattle, there are fences to mend and other backcountry ranch tasks that guests participate in each day.

"I have always wanted to experience working on a real cattle ranch. Six Quarter Circle helped me fulfill that dream, beyond expectations."

— John Frazer, Atlanta, Georgia

A TYPICAL DAY

ON THE TRAIL

Fuel up for the day's work with a breakfast buffet of homemade pastries, pancakes, made-to-order omelettes and much more. After breakfast our professional wranglers will have your horse ready to go and you'll head into the high country in search of cattle.

You'll stop for lunch along the trail and compare notes on the day's adventures. Most guests have fond memories of the calf that nearly got away or the bull with a mind of his own. After lunch you'll hit the trail for the afternoon and be home in time for a hot shower and drinks on the deck with stunning views of our mountain valley.

SIX QUARTER CIRCLE RANCH DINING AND ACCOMMODATIONS

At 6 Quarter Circle Ranch, we provide first-class lodging and dining to complement your cattle drive experience. Our Montana cabin-style rooms each have a private bath and gorgeous views.

After a long day on the trail and a hot bath, you can join our other guests in the Rocky Mountain Spirit Bar. Choose from a wide selection of domestic and premium beers and fine California and Northwest wines. Dinner is prepared by our professional chef and might include roasted pork tenderloin or fresh trout served with butternut squash and chipotle pepper soup and a southwestern Caesar salad. Mouthwatering desserts are prepared daily by our skilled pastry chef. We are also happy to provide vegetarian meals and to accommodate your special nutritional needs.

HUBBARD'S YELLOWSTONE LODGE

AN ANGLER'S PARADISE

Hubbard's is one of the few facilities designated as a preferred lodge by Orvis, a company that sets high standards for fishing, personnel, accommodations, equipment and amenities. Merrell Lake is 85 acres of Montana's finest blue-ribbon trout water, boasting browns and rainbows of up to eight

pounds. Also at your fingertips is the Yellowstone River, the last great free-flowing river in the nation. Armstrong's, Nelson's and Depuy's Spring Creeks are considered some of the premiere fishing waters in the world. Hundreds of miles of streams in Yellowstone National Park are teeming with cutthroats, browns and rainbows. Our expert guides will accompany you and ensure your fish tales will be worth the telling for years to come.

HUBBARD'S YELLOWSTONE OUTFITTERS

THE FINEST ELK HUNTING

IN THE NATION

Every fall, Hubbard's gears up for hunting season in some of the finest deer and elk country anywhere. With over 20,000 acres of habitat in which to hunt, bordering Yellowstone National Park, our lodge is perfectly situated to ensure success. Our elk and deer combination hunts last five days, and hunters sleep in cabins at various spike camps in the backcountry. We provide one guide for every two hunters. Just bring your license and warm gear. You may also choose to hunt ducks and geese on Merrell Lake.
